Remarks

The present amendment responds to the Restriction Requirement dated October 11, 2006. Claims 2 and 9-45 are canceled without prejudice. Claims 3 and 5 have been amended to depend solely from claim 1. New claim 46 has been added. Claims 1, 3-8 and 46 are presently pending. The analysis of the Office Action that Figs. 1, 14, 15, etc. each comprise a distinct species is traversed with respect to the claims as presently amended. By way of example, at least claims 1, 3, 4 and 5 appear to clearly read on all of Figs. 1, 14, 15 and 16 as well as possibly other of the so-called distinct species. In light of the present amendment, it is suggested that the "identification of species" requirement be withdrawn. However, if it is not, applicants provisionally elect Fig. 1.

Respectfully submitted,
